GRATITUDE REPORT

Working together to serve victims of violence in the community
TO OUR AMAZING COMMUNITY,

WOW, we have had an unprecedented year! We have had to deal with coronavirus, mask wearing, social distancing, remote learning, social upheaval, political unrest and an economic crisis—all of which contributed to an increase in violence and calls to our crisis line. However, together with our staff, Board of Directors and champions like you, we made it possible for victims of violence to have support and to become survivors!

Through it all, we have been a consistent and stable resource for survivors of domestic and sexual violence and human trafficking, who rely on us to be there for them during their time of greatest need in spite of the pandemic. As you will see on the following pages, our mission has not wavered during COVID-19, nor will it as we move forward.

Our amazing dedicated staff has done an excellent job of supporting survivors during this pandemic. We quickly adapted to virtual practices to help survivors meet their goals towards self-sufficiency, while keeping our staff and clients safe. We never had a pause in operations.

We have been comforted, encouraged, and humbled by the outpouring of generosity from our community. We offer our deepest gratitude and look forward to continuing to expand our efforts towards our vision of a community free from violence.

Sincerely,

Kari Clark
Executive Director

2020 HIGHLIGHTS

During a year when we were told that staying home was the safe choice, that wasn’t the case for domestic violence victims. ATV had to find new ways to let victims know we were still available and try to get the help to them. Additionally, we were grateful that we were able to make some events happen with modifications to keep everyone safe under the pandemic.

PASTELS ON 5th
Art was spread out around downtown Loveland to encourage space between spectators. Over 2,000 people came through the event, and over $30,000 was raised!

FORE Golf Tournament
Players swung into action to support ATV, raising over $44,000 for ATV!

DEAR FRIENDS OF ATV,

I would like to take this opportunity to express my appreciation to our donors, supporters, volunteers, and outstanding staff. Your efforts and backing during the past year have been remarkable!

We were able to rise to the challenges of COVID-19, keeping our employees safe while continuing to provide services to the community and clients. We improved the safety and security of our facilities and accomplished the goals we had established. We will continue to expand outreach and care for clients while establishing a strong financial foundation and attracting qualified staff.

This is my last annual report as President of the Board of Directors. I have gained valuable knowledge of domestic violence and the impact that services offered by Alternatives to Violence add to this community. I am honored to have served this organization.

Thank you,

Yvonne Zack

"This organization brought me and walked with me through the depths of hell...

You have been there for me and helped me through thick and thin, regardless of my situation, health, frame of mind and desperation I came to.

I don’t even have the words for you all.. admiration - loyal - helpful - peaceful - empathetic”
